Head Teacher's News

Another busy couple of weeks have passed with Enrichment Week, Activity Afternoon, a visit from Rammie and transition days. The weather has picked up and the children have been incredibly sensible about drinking water and staying in the shade.

Please do not send your child in expensive football shirts as they may get dirty whilst we are learning outdoors. The children will bring home their PE kits tonight to ensure they have kits to wear.

Tigers News

Following our success at the Macmillan coffee morning we have been busy completing a poetry project. We have listened and performed the poetry of Edward Lear and we have written our own limericks and longer poems in the style of Jabberwocky and The Dong.

Meerkats' News

We have been enjoying the outdoor learning space, watering our gardens and identifying leaves. We had the new children visit and we looked after them.

We have also been writing Katie Morag style stories set in Egginton. Ally had an email from the author of the book in answer to his question about rubbish collection on the island. Well done Ally for thinking of such an interesting question and working out how to find out the answer.

Rhino's News

We visited Bretby Garden Centre this week as part of our legacy project. They had kindly donated vouchers for us to purchase more plants for the wildlife garden. We are creating a rock garden with shade loving plants. We also received plants from Swarkestone Nursery which we are planting in the garden area and a voucher from Findern Garden Centre. Thank you to Mrs Bishop, Mrs Pendleton and Mrs O'Brien for taking us.
