

## Behaviour Policy

Date	Review Date	Coordinator	Nominated Governor
April 2023	September 2024	J. Cunningham	Andy Farrow

At Egginton, we strongly believe that every child has the right to a happy and safe school life so that they can progress successfully in their learning and social development. We are committed to becoming a UNICEF Rights Respecting Schools and the principles outlined in the convention are demonstrated within the school Golden Rules and expectations we have for our pupils. Respect and tolerance for others are at the heart of our school ethos and pupils demonstrate this by following the Golden Rules that were established by both staff and pupils:

- We are polite, kind and helpful.
- We follow instructions from all adults in school.
- We are honest.
- We are gentle.
- We treat people and property with respect.
- We move sensibly and calmly around the school.
- We try our best in everything we do.

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

We have a duty under the School Standards and Framework Act 1998 to have in place a behaviour policy that is annually reviewed, made available to all stakeholders and is consistent throughout the school. We believe that we promote good behaviour by creating a happy, caring school environment where everyone feels valued, respected, secure and free from all forms of anti-social behaviour. We realise that pupils' behaviour improves and that they feel safer and happier in school if school personnel consistently apply this policy and maintain regular classroom routines.

## **Egginton Primary School**

We encourage pupils to achieve in a learning environment where self-discipline is promoted and good behaviour is the norm. Any form of low-level misbehaviour during lessons is not accepted as we believe pupils will achieve their full potential in a happy, stimulating and ordered school environment. We are aware that during a school inspection, the inspection team will make a judgement on behaviour and attitudes by evaluating whether:

- we have high expectations of pupils' behaviour and conduct and whether these expectations are applied consistently and fairly;
- pupils:
  - have a positive attitude to their education;
  - are committed to their learning;
  - know how to study;
  - are resilient to setbacks;
  - take pride in their achievements;
  - attendance and punctuality are good.
- the relationships between pupils and school personnel reflects a positive and respectful culture;
- school personnel and pupils have created a school environment where all forms of bullying are not tolerated;
- school personnel deal with incidents of bullying quickly and effectively and they work hard to prevent bullying from spreading.

We strongly endorse the banning of all forms of corporal punishment which has been defined as 'the use of physical force causing pain, but not wounds, as a means of discipline'.

We are aware that we have the right to use reasonable force to control or restrain pupils in order to prevent personal injury, damage to property or the prevention of a criminal offence being committed but not as a means of disciplining pupils.

We provide alternative spaces for any pupil who is upset, distressed or acting in an unsafe manner. It is a place where school personnel can take individual children to talk about their concerns or worries or just to calm them down if something has upset or angered them.

We have a duty to ensure that all parents are aware of our 'legal powers to use parenting contracts, parenting orders or penalty notices to address poor attendance and behaviour in school.' Parents have a duty to ensure their children are well behaved and attend school regularly as 'good behaviour and attendance are essential to children's educational prospects'.

We are aware that 'parenting contracts, orders and penalty notices for irregular attendance apply only to pupils of compulsory school age who are registered at a school' but they can also be applied for misbehaviour by pupils outside compulsory school age such as sixth form pupils or pupils at a maintained nursery. While 'penalty notices for parents of pupils found in a public place during school hours after being excluded also apply only to children of compulsory school age who are registered at a school.'

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremist groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation and alert to changes in pupil behaviour. Any concerns will be reported to the designated safeguarding lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

## **Egginton Primary School**

We understand that 'Headteachers and school personnel authorised by them have the statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item.'

We have decided that the following items are prohibited in this school, namely; knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, vapes, fireworks, inappropriate images, any item that could be used to commit an offence or personal injury or damage to property. Any pupil found in possession of them will face disciplinary sanctions.

We have a duty to recognise and report all forms of harmful sexual behaviour and to discuss any concerns with parents provided that this would not put the child at risk.

We understand that 'harmful sexual behaviour is any behaviour expressed by children that is developmentally inappropriate, may be harmful towards themselves or others, or abusive towards another child or adult (Hackett, 2014).

We will report any form of sexual behaviour, such as:

- pulling down other children's skirts or trousers;
- looking up skirts;
- talking with others about sex and using adult slang words;
- talking about sexual activity as seen online or on television;
- repeated questions about sexual activity;
- displaying abusive or sexually violent behaviour;
- sexual assault;
- inappropriate sexual contact;
- following or leading others into secluded areas.

We believe in early identification and effective intervention of any form of harmful sexual behaviour that is displayed by a pupil or pupils. We strongly support the new Home Office-funded 'Harmful Sexual Behaviour Support Service' that provides advice and relevant resources for any school that has concerns about a child displaying any kind of harmful sexual behaviour.

We will not tolerate any form of sexual violence or sexual harassment and that pupils whose behaviour falls below expectations will be sanctioned. We expect school personnel to challenge all inappropriate language and behaviour between pupils. Under no circumstances will we normalise sexually abusive language or behaviour.

We work hard to:

- maintain high standards of conduct between pupils and school personnel;
- demonstrate model manners, courtesy and dignified/respectful relationships.

We will deal with all inappropriate online behaviour, including:

- bullying;
- the use of inappropriate language;
- the soliciting and sharing of inappropriate images and videos;
- sexual harassment;
- criminal behaviour.

We are aware that many online behaviour incidents amongst young people occur off the school premises. We believe that parents are responsible for dealing with this inappropriate behaviour. But when incidents affect the culture and reputation of the school or pose a threat or causes harm to another pupil then we will consider imposing sanctions if the perpetrator is identified as a member of the school.

## **Egginton Primary School**

We understand that before reporting a suspected incident of criminal behaviour by a pupil, we should first:

- make an initial assessment and gather enough information to establish the facts of the case;
- fully document all findings and preserve any relevant evidence.

Once a decision has been made to report the incident to the police, we will also report the incident to the local children's social care.

We wish to work closely with the school council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that are connected with this policy.

    - How well do we promote a range of positive character traits among pupils?

  - even if there are no reports in their schools it does not mean it is not happening as it may be the case that it is just not being reported;
  - if they have any concerns, they must speak to their designated safeguarding lead or deputy;
  - they must challenge inappropriate behaviours between children;
  - they must not downplay or dismiss certain behaviours as this may lead to a culture of unacceptable behaviours, an unsafe environment for children and to a culture that normalises abuse, leading to children accepting it as normal and not coming forward to report it;

- support good behaviour;
- agree to the school's home school agreement;
- ensure their children understand and value the meaning of good behaviour;
- support school rules and sanctions;
- be asked to take part periodic surveys conducted by the school;
- support the school code of conduct and guidance necessary to ensure smooth running of the school.

### **8. Rewards**

Children will be allocated to one of four teams on entry into Reception: Red, Yellow, Blue, Green. Team points are awarded for effort, achievement and positive behaviour and can be awarded to children by any member of staff. All pupils begin the day on 'Green' on the traffic light system displayed in each class. Pupils automatically receive 5 team points if they move up to Gold on the traffic light system.

Pupils from Y2 upwards record team points they have earned onto team point cards and a chart that is displayed in class. The pupils receive a certificate when their cards are completed. Each pupil starts with a Bronze card at the beginning of a new academic year. Once completed, the card is taken to the office to share the achievement. In Reception and Y1, pupils record team points on a weekly class chart but the class teacher records and tracks each pupil's individual team point total and informs the pupil and office when they have earned a certificate. The Headteacher is then responsible for writing out the pupil's certificate to be awarded in the next 'Celebration Assembly'. The order of team point cards is: Bronze, Silver, Gold and Platinum.

From Y3 onwards, Golden time is earned by demonstrating a whole class ethos to following the Golden Rules. The children can earn up to 20 minutes during the week. Golden time usually takes place on a Friday afternoon.

In Reception, Year 1 and Year 2 pupils collectively earn Golden tokens towards receiving a whole class Golden privilege. This privilege will be received when the class earns 20 tokens and will be agreed with the class teacher.

### **9. Sanctions**

Sanctions are given to a pupil when they do not follow the Golden Rules. The following system is used:

1. Verbal Warning is given to the pupil with specific reference to the Golden Rule they have broken.
2. The pupil is given an official 'Warning.' They are moved off Green and onto Amber.
3. The pupil is moved onto Red on the class traffic light system. The pupil will complete a short behaviour reflection sheet with the class teacher at the next break time or lunch time to enable them to learn from the negative behaviour they have demonstrated. The pupil will identify the Golden Rules they have broken on the reflection sheet. The class teacher will send the reflection sheets to the Headteacher. The parents/carers of the child may be contacted depending on the severity of the negative behaviour.
4. The child is sent to the Headteacher and parents may be contacted depending on the type of negative behaviour. Pupils may have to have time out from playtime privileges such as football depending on the severity of the behaviour. A child can move straight to sanction 4 in the event of having verbally or physically hurt another pupil or a member of staff or for any other serious incidents such as swearing.

## **Egginton Primary School**

At the class teacher's discretion, pupils may move 'back up' the colour chart from Red or Amber to Green during the day if an improvement in behaviour is demonstrated but the initial move to Amber or Red will always be recorded.

It is important for teachers and parents/carers to work in partnership and communicate with each other if pupils are consistently breaking 'Golden Rules' at school. Class teachers will contact parents/carers within a short time-frame to discuss any ongoing behaviour issues.

### **Monitoring of Sanctions**

The behaviour log is monitored regularly by the Headteacher. If there are any identified trends in negative behaviour in a class or across the school then this will be shared with staff and addressed through PSHE lessons and assemblies. The behaviour log will be analysed closely and pupils who are consistently breaking specific Golden Rules will be asked to meet with the Headteacher to discuss their behaviour. As an outcome of this meeting:

Parents/Carers may be invited into school to meet with the class teacher and/or the Headteacher to discuss their child's behaviour. The Headteacher/ ENDCo may carry out further observations to ascertain whether the pupil needs further support to address their behaviour. There may be a requirement for Individual Behaviour Plans to be put in place to enable a change in behaviour for specific pupils.

An 'Early Help Meeting' involving parents/carers and support agencies will be initiated by the school if:

- A pupil has been identified as having specific physical, social or emotional needs that must be met beyond school in order to improve their behaviour.
- A pupil has been identified as being at risk of exclusion.

If there are specific issues beyond school that are starting to affect the pupil's time in school, we will discuss additional support options with parents/carers. With consent from parents/carers we will make a referral to Starting Point who can provide external, specialist help for the pupil and/or their family in the school or at home.

### **Risk assessments for pupils displaying challenging behaviour**

The school will consider undertaking risk assessments for pupils with challenging behaviour in order to minimise risk, protect pupils and staff and to exercise the school's 'Duty of Care.'

### **Physical Restraint**

Staff will follow the local authority policy regarding the use of physical restraint. If a situation requires this response, then pupils will be restrained by a member of staff:

- To prevent a fight on the playground
- To reduce risk of physical harm to themselves
- To prevent a pupil from causing physical harm to a member of staff or another pupil.

All restraints are recorded on a Physical Restraint report form and parents/carers are contacted immediately. The forms are kept in the Headteacher's office.

## **10. Exclusion**

The governing body has decided that in exceptional circumstances that exclusion will be used as a sanction either as a:

- fixed term, or;
- permanent exclusion.

Unacceptable behaviour which might lead to exclusion includes but is not limited to:

- Physical assault against a pupil.

## **Egginton Primary School**

- Physical assault against an adult.
- Verbal abuse/ threatening behaviour against a pupil.
- Verbal abuse/ threatening behaviour against an adult.
- Malicious accusations against staff that are proven to be false.
- Bullying.
- Racist or homophobic abuse.
- Damage.
- Theft.
- Persistent disruptive behaviour.

Egginton Primary School takes a very serious view of incidents of this type and, in an extreme case, the Headteacher has the power to exclude for a fixed period of time or permanently. Permanent exclusion is only used as a last resort:

- In response to a serious breach, or persistent breaches, of the school's behaviour policy.
- If allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school.

Further information for parents and carers relating to the school exclusion procedure can be found on Derbyshire County Council website within the document 'Information for Parents'.

### **11. Pupil Support**

A number of pupil support systems are in place and are proving effective in promoting good behaviour. All school personnel work hard to ensure that these systems run smoothly.

### **12. Celebration of Good Behaviour**

Good behaviour is celebrated at the weekly achievement assembly with the 'Star of the Week' certificate. However, regular praise and encouragement is part of the school ethos. Headteacher stickers are given to pupils for exceptional effort, work or behaviour. When a pupil has achieved this, they are sent with their work or a brief message to the Headteacher. Each half term, class teachers will nominate pupils to receive English, Maths and Superstar awards. These will be handed out during 'Celebration Assembly' at the end of each half term. Lunchtime awards for individual pupils and will be celebrated during this assembly. In addition, pupils will be encouraged to share achievements from outside school.

### **13. Outside Agencies**

We have invaluable support for pupils who demonstrate persistent poor behaviour from the:

- educational psychologist;
- educational welfare officer;
- school health nurse;
- social services.

### **14. Incidents**

- All incidents of bad behaviour are recorded in the behaviour log
- The Headteacher thoroughly investigates all incidents.

At Egginton we recognise that a minority of pupils will have been identified as having special educational needs and/or disabilities which can be a temporary or permanent barrier to being able to access this policy. We are committed to acknowledging the contextual needs of all our pupils and making reasonable adjustments to our management of behaviour that ensures they continue to experience our high expectations but are not disadvantaged or discriminated against in their efforts to achieve this.

## Egginton Primary School

- are familiar with the following documentation:
  - Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges.
  - Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children.
- are aware of the following linked policies:
  - Safeguarding
  - Anti-bullying
  - Equality
  - Inclusion
- the content of all training is correct, delivered well and engages staff as we believe that the more engaging training is, the better the outcomes that we need to measure;
- all school personnel understand and undertake their role in safeguarding and child protection effectively.

### 17. Safeguarding

We are committed to safeguarding and promoting the welfare of all children as the safety and protection of children is of paramount importance to everyone in this school. We work hard to create a culture of vigilance and at all times we will ensure what is best in the interests of all children.

We believe that all children have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

### 18. Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

### 19. Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

## Egginton Primary School

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

### 20. Monitoring the Implementation and Effectiveness of the Policy

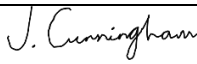

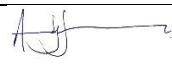

The practical application of this policy will be reviewed annually by the Headteacher and the governors.

### April 2023

We are aware that Ofsted have updated their School inspection handbook. We have in place awareness training for all school personnel and governors that covers the contents of the handbook. The headteacher will be aware that the 'behaviour and attitudes judgement considers how leaders and staff create a safe, calm, orderly and positive environment in school and the impact this has on the behaviour and attitudes of pupils.' The inspectors will be looking for:

- a calm and orderly environment in the school and classroom, as this is essential for pupils to be able to learn;
- the setting of clear routines and expectations for the behaviour of pupils across all aspects of school life, not just in the classroom;
- a strong focus on attendance and punctuality so that disruption is minimised;
- clear and effective behaviour and attendance policies with clearly defined consequences that are applied consistently and fairly by staff;
- pupils' motivation and positive attitudes to learning as important predictors of attainment;
- a positive and respectful school culture in which staff know and care about pupils;
- an environment in which pupils feel safe, and in which bullying, discrimination, sexual harassment, sexual abuse and sexual violence (online or offline) are not accepted and are dealt with quickly, consistently and effectively whenever they occur;
- effective behaviour policies in place regarding harmful sexual behaviour which include details of appropriate sanctions.
