Headteacher – Mr Richard Kitching

Tuesday, 23rd February 2021

Dear Parents and Carers,

Re: Full opening of school from 8th March

Following the Government's announcement yesterday we are pleased to confirm that our school will be fully open to all of our pupils from 8th March 2021. The Government have stated that all pupils are expected to attend school and that normal statutory school attendance requirements will resume in line with school attendance policies and protocols (our Attendance policy document is available to view on our website).

There will still be many restrictions in place in order to enable a safe opening of school to all of our pupils. Over the coming days we will be reviewing our risk assessment in line with the latest government guidance for schools and we will be updating our Covid-19 Parent and Carer Home School Partnership guide to reflect any new requirements. This will be sent out to you shortly. However, it is expected that the vast bulk of the guidance in place will remain the same and the arrangements will be very similar to those in the Autumn term of 2020.

We look forward to working with you closely to ensure a smooth and successful transition back to school for all of our children.

Thank you for your continued support.

Yours sincerely,

Mr Richard Kitching
