Church Visit

MacArthur class had a lovely morning at St Wilfrid's Church on February 15th as part of their RE week activities. I know they had a great time and took lots of photos linked to their work in class.

Here are the children visiting the church...

Valentine's Disco!

A huge thank you to the PTA for organising our Valentine's disco on 14th February and also to Mr Farrow, the Chair of Governors, for sorting out the sound system. The disco was really well attended and full of balloon bouncing and great music. The children had a brilliant time!

Valentine's disco fun and games...

A new kit for future competitions...

The PTA and Farmer Faye have provided funding to enable us to buy a new kit for pupils to use when taking part in any future competitions. I'm sure everyone will agree that the kit looks amazing and we all look forward to its first outing soon...

Blue is the colour...

The big reveal during Celebration Assembly...

To be all that I can be...

Good attendance means...

Being in school at least 95% of the time or 180 to 190 days

Attendance...

We all play a key role in enabling children to stay safe online. At Egginton, we regularly teach the children the importance of this.

We have recently signed up to become an i-vengers school which will put e-safety at the forefront of everyone's mind. Look out for some exciting challenges linked to the i-vengers coming soon...

Green Flag Award!

The children have earned an international accreditation this academic year, recognising their amazing work in making school more environmentally friendly and raising eco-awareness in fellow pupils. Eco-Schools is an international education programme that prompts young people to explore sustainability and climate change and take action.

Congratulations to everyone who made this possible.

A little bit extra...

EVERY POPPY COUNTS 2022... A certificate of appreciation has been awarded to our school for raising an amazing **£109.54!** This contribution helps to support the Armed Forces community, past and present. Well done everyone!

After School Club

Unfortunately, during this short half term, several Wednesdays are unavailable for after school clubs. We have made the decision to restart these sessions after the Easter break and, from this point onwards, there will be no cost. Look out for the first sports club in April. In the meantime, you could try these [60 second physical challenges](#) at home!

Mental Health

Mental Week took place earlier this month and 'Dragonfly Impact Education' has provided some free resources for parents to help support the mental health and wellbeing of their children. You can access a range of short videos using the following link...

[MH Week Parent Videos \(dragonflyimpact.com\)](https://dragonflyimpact.com/)

Free School Meals Applications

REMEMBER... if you think that your child may be eligible for free school meals, please click on the link below to apply:

<https://www.derbyshire.gov.uk/education/schools/school-places/primary-admissions/parentsguide/more-information/school-meals/am-i-entitled-to-free-school-meals.aspx>

In addition, the school may be able to offer subsidised costs of school based extra-curricular clubs and/or music tuition if your child is eligible for free school meals. Please contact school for
