The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We have a duty of care under The Health and Safety (First Aid) Regulations 1981 to promote the health, safety and welfare of all pupils, school personnel and school visitors by providing adequate first aid equipment, facilities and school personnel qualified in first aid.

Annually, we carry out an assessment of medical and first-aid needs which involves consideration of workplace hazards and risks, the size of the school and the number of people on site in order to determine what first-aid equipment we should provide.

We will ensure that under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR) that all accidents resulting in death, major injury or the prevention of the injured person undertaking their normal work for more than three days will be reported to the Health and Safety Executive (HSE).

We will ensure that first aid provision is up to date and available at all times in school and for all off-site educational visits and sporting events. Pupils and school personnel with specific health needs and disabilities will be given specific consideration.

We ensure all school personnel:

- are trained in first aid;
- will attend periodic first aid refresher training;

Eginton Primary School

- are trained in how to administer medication in the case of a severe allergic reaction;
- are familiar with the Individual Health Care Plans of pupils in their care;
- know what to do in an emergency;
- are aware that allergy management strategies are incorporated into risk assessments for all school events, educational visits and sporting events.

We work hard to have in place and to maintain a system that ensures all medical care plans are kept up to date and are available at all times to school personnel who may need them in an emergency. It is vital that all medical care plans clearly indicate whether a pupil needs emergency medication such as asthma inhalers or EpiPens.

Those members of the school personnel who have volunteered to administer or supervise the taking of medication attend regular refresher training and are up to date with the medical care plans for those pupils with specific medical needs or emergency medication.

We are aware that following a change in the law, we are allowed to purchase spare adrenaline auto-injectors such as EpiPen, Jext or Emerade for use on children with serious allergies in emergencies. We acknowledge that these spare devices can only be used on pupils at risk of anaphylaxis (a life-threatening allergic reaction) where consent from doctors and parents has already been obtained.

We believe all school pupils should be taught basic first aid such as dealing with head injuries, CPR, the purpose of defibrillators and how to call the emergency services.

We have introduced a programme of first aid into the school curriculum as we believe young people need the tools to be ready to thrive when they leave school. We firmly believe simple yet vital first aid skills can save lives.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

9. Raising Awareness of this Policy

We will raise awareness of this policy via:

- School Prospectus;
- School website;
- Staff Handbook;
- Meetings with parents
- School events;
- Headteacher reports to the Governing Body;
- Email
- Meetings with school personnel;
- Written communications with home such as monthly newsletters

10. Training

We:

- ensure all school personnel have received appropriate training for all health and safety policies that is undertaken by a registered training provider that covers:
 - Health and Safety
 - Basic first aid
 - Medical care
 - Dealing with emergencies
 - Safeguarding and Child Protection
 - Administering Medicines
 - Hygiene
 - Risk management and risk assessment
- ensure the content of all training is correct, delivered well and engages staff as we believe that the more engaging training is, the better the outcomes that we need to measure;

11. Safeguarding

We are committed to safeguarding and promoting the welfare of all children as the safety and protection of children is of paramount importance to everyone in this school. We work hard to create a culture of vigilance and at all times we will ensure what is best in the interests of all children.

We believe that all children have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by

Eginton Primary School

creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

12. Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

13. Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

14. Monitoring the Implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Governing Body for further discussion and endorsement.

15. Linked Policies
