

Useful Website

Here are a few useful websites that you can work on together with your child.

Sumdog - *Your child will have a login for this site.*

Timestable Rockstars - *Your child will have a login for this site.*

Topmarks.co.uk - *Interactive fun games, Hit the button being one of the games used in class.*

Ictgames.co.uk

bbc.co.uk/schools/games - *You can search for games in the appropriate age range. You can also choose a subject.*

Phonicsplay.co.uk - *Don't feel you have to subscribe to play all the games, the free ones are just as good.*

Primarygamesarena.com

Oxford Owl - *They have some very good e-books to download. Linked to Oxford Reading Tree.*

The School Reading List website - *Ideas for children's literature.*

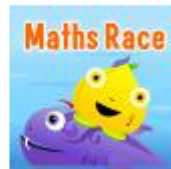

Many of the websites also have science, history and geography games and activities, and are well worth a closer look.
